

PolicyWise HomeSecure - Sample Home Insurance Policy

Document Code: PW-HM-2026-01

Synthetic-data notice: This fictional document is for RAG development, testing, demonstrations, and training only. It is not a real insurance contract.

1. Building Cover

The residential building is insured up to INR 40,00,000 against covered events including fire, lightning, explosion, storm, flood, and certain impact damage.

2. Contents Cover

Household contents are insured up to INR 10,00,000. High-value jewellery is subject to a separate sub-limit of INR 1,00,000 unless specifically declared.

3. Burglary

Loss of insured contents due to forcible and violent entry burglary is covered subject to evidence of the incident and applicable policy conditions.

4. Alternative Accommodation

If the insured home becomes uninhabitable because of a covered event, reasonable alternative accommodation expenses are covered up to INR 25,000 per month for a maximum of three months.

5. Deductible

A deductible of INR 5,000 applies to each property damage claim under this sample policy.

6. Exclusions

Normal wear and tear, gradual deterioration, termite damage, deliberate damage by the insured, and loss from an unattended unlocked home are excluded.

7. Claim Duties

The insured should protect property from further damage, notify emergency services when appropriate, inform the insurer promptly, and retain photographs and repair estimates.

8. Valuation

Claim settlement is subject to the applicable basis of valuation, policy limits, deductibles, and evidence of ownership or repair cost.

9. Testing Note

Alternative accommodation of INR 25,000 per month for three months is a useful distinctive retrieval fact.
