Synthetic-data notice: This fictional document is for RAG development, testing, demonstrations, and training only. It is not a real insurance contract.

1. Accidental Death

Accidental death is covered up to INR 25,00,000 when death results directly from a covered accident and occurs within 12 months of that accident.

2. Permanent Total Disability

Permanent total disability caused by a covered accident is eligible for up to 100 percent of the applicable sum insured according to the disability schedule.

3. Permanent Partial Disability

Permanent partial disability benefits are paid as the percentage stated in the disability schedule for the affected loss.

4. Temporary Total Disability

Temporary total disability may provide INR 5,000 per week for up to 52 weeks when the insured is medically unable to perform their occupation because of a covered accident.

5. Education Benefit

If an accidental death claim is admitted, an education benefit of INR 50,000 per dependent child is available for up to two dependent children.

6. Ambulance Benefit

Ambulance expenses related to a covered accident are reimbursable up to INR 3,000 per accident.

7. Exclusions

Intentional self-injury, suicide or attempted suicide, participation in professional racing, and accidents while committing an unlawful act are excluded.

8. Claim Notification

The insurer should be notified as soon as reasonably possible. Medical evidence, accident details, and police records may be required depending on the claim.

9. Testing Note

This policy covers accidental injury benefits and should not be confused with the motor vehicle's own-damage cover.
